

## **"With a vision as big as ours... we needed a stewardship coach who thought as big as we did!"**

"The Lord has commissioned our Church to build an expansive campus in south Florida to fulfill the God sized mandate He has placed on our hearts! The campus will house the Faith Center ministries, Henry Fernandez television ministries and the newly accredited 'University of Fort Lauderdale.'

With a vision like this we needed a stewardship partner and coach who thought as big as we did! Jon Bennett was that coach and I thank God for his dynamic ministry!

I highly recommend Jon Bennett and AGFinancial's partnership to you and your big dreams!"

**"Our church is a 8,000-member church whose faith commitments surpassed \$8,000,000 in our recent capital fundraising campaign. Praise God!"**
